

## ERRATA

*Re: Volume 6, Number 1. In the article entitled "Acquisition of Delayed Matching in the Pigeon", by Berryman, Cumming, and Nevin, the ordinate on Fig. 3 should be labeled:*

Percent Right-Key Responses. The values should increase from 0 to 100 in steps of 10.

*Re: Volume 6, Number 1. In the article entitled "Suggested Portuguese Translations of Expressions in Operant Conditioning", by Rodolpho Azzi, Maria Ignez Rocha e Silva, Carolina Martucelli Bori, Dora S. R. Fix and Fred S. Keller, the following entries on pages 92 and 93 should read:*

induction = indução  
incidental reinforcement = refôrco acidental  
manipulandum = manipulandum  
conditioned negative reinforcement = reforço negativo condicionado
